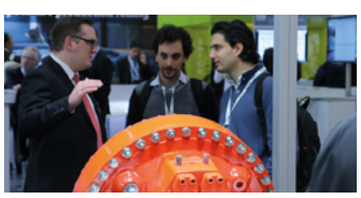
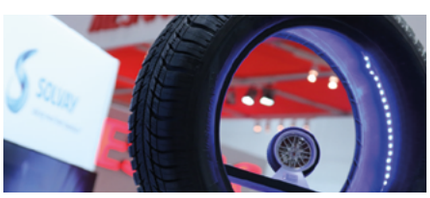
BIGGEST EVER EXPO BY FAR!

2018 EXPO AND CONFERENCES EXPANDED AND SET TO BE THE BEST EVER!

Now in its 18th year, Tire Technology Expo is Europe's most important tire manufacturing technology exhibition and conference

With 280+ exhibitors covering 20,000m², plus a major conference and workshop programme and industry-leading awards dinner, **Tire Technology Expo is a must-attend industry event**. Visitors, exhibitors and conference delegates will enjoy a networking opportunity that is unrivalled within the tire manufacturing sector.





The Tire Technology 2018 Conference is our biggest and most comprehensive ever, **with 180+ speakers already announced** in the preliminary programme. New for 2018, the Business Strategy Conference is incorporated within the all-embracing programme, which we believe will make it easier to follow the entire content and enable you to best plan your participation.

Please note that all delegates in all conferences and sessions have freedom to move freely between sessions and presentations to enable all participants to pick and mix as much as they wish.
